The Design Process

The Dream

- Dream your dream bathroom then - contact Bathroom Solutions.
- To assist with the creation of your dream bathroom we need to understand your likes, habits, requirements and your expectations.
- The creation of your dream bathroom will be a major investment in time and money.
- Determine the size and scope of your dream bathroom and prepare yourselves emotionally for the disruption ahead □ Throughout the process Bathroom Solutions will endeavour to maintain normality as much as possible for you.

The Design Process

- Contact Bathroom Solutions and arrange for a consultation with John or Marilyn at your home.
- Your dreams are discussed and notes taken of preferred fittings, wall linings, flooring, colours etc
- John or Marilyn will measure the existing area and check the plumbing and electrical for compatibility with your new fittings.
- Combining both Bathroom Solutions' experience and your dreams a concept and design is produced along with a preliminary quotation - Copies of the design and quotation along with brochures of suggested fittings is posted to you or delivered personally.

- A second meeting is often required to finalize and confirm the quotation. -

Making Your Dream a Reality

- Once your decision is made to accept Bathroom Solutions quotation, final discussions take place to confirm colours, fittings and any minor adjustments required to the quotation.
- The accepted quotation now becomes a contract agreed to by both yourself and Bathroom Solutions.
- Deposit is paid, start date set and council consent (if required) is applied for. Bathroom Solutions set a program for their trades people and order materials to ensure the contract is underway on date specified.
- Now sit back and await your dream bathroom.

Note: Depending on the scope of work required a bathroom renovation will take between 3 to 6 weeks to complete. The bathroom will normally be operative in a temporary form within 2 days of demolition. recommend you visit your nearest branch to discuss your fitting selection with their helpful showroom staff.
